Cleancare

With a specially formulated, attractive vinyl face, laminated to a tough plasterboard base, Cleancare has been designed for use in food related, and other situations where a high level of hygiene is paramount.

The strong vinyl face is designed for easy, regular cleaning, but still retains a class 0 fire classification. Cleancare is also suitable for use in hospitals, toilets, washrooms and other similar areas.

Module Size	Grid Panel	Standard Tegular	Fine Tegular
